ID-0228 -
For Sale

599.000€

Golf del Sur / House

The villa is situated on a 27-hole golf course, directly on the Atlantic coast.

The "Golf Villa" has about 400 m² living space together with several outbuildings. In addition, you delight in 600 m² top maintained garden with trees, flowers and various cacti; 20 Washington palm trees, which are up to 10 meters high, offer wonderful shade in the summer. All plantings are watered automatically.

all paths of the plot entrance to the end of the garden are tiled rustic, terraces and the house interior have ausgesattet with shiny tiles.

Before plot entrance there are 2 equally large garages, one with roof-storage space. In addition, you will find covered parking for 2 more cars.

The villa has 2 large bedrooms, each with direct attached bathroom. One of the bedrooms is even equipped with a Finnish sauna and Italian Jacuzzi and direct access to the swimming pool. A second entrance to the swimming pool there is the garden terrace and a 3rd bathroom.

Bedroom	4
